

REMARKS

Applicant hereby submits a Supplemental Amendment to the Amendment After Final Action (37 C.F.R. Section 1.116), filed August 19, 2004. In that Amendment, the Remarks had stated: "Claim 4 has been amended to clarify antecedent basis." However, on further review, it is evident that due to a clerical error the text of claim 4 as submitted was not so amended. The sole purpose of this Supplemental Amendment is to amend claim 4 in accord with the Remarks in the August 19, 2004 Amendment After Final.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance and such action is earnestly solicited.

Dated: September 10, 2004

Respectfully submitted,
